

General Secretary Report

Currently updating the society records for membership, if anyone has any updated information please email me at pcburgess@theiet.org

Kind request for all Life Members to buy their dinner tickets as soon as possible, as there was a risk in mid-January 2017 that we considered cancelling the hotel and moving to a restaurant.

Moving forward every member will be informed via the Facebook page and email list on society events and news. If anyone needs details on how to access these please contact me.

Peter Burgess

General Secretary
